

## PRACTICAL INFORMATION

### Major news:

- home assignment 3:
  - \* due Monday at 10am,
  - \* returned to you Tuesday morning (with marks, a brief solution and an in-class review),
- no homework for Tuesday,
- call for review topics for Tuesday (for other instructors).

### Today's session:

- review/discussion: Problem 13.9, Matching problem,
- review: four causation scenarios,
- individual work on remaining problems (13.2 + 13.10),
- more time for questions and discussion.

UPEI course evaluation today at 10:30am;  
we'll plan for a break around that time.
